THE HORRID HAYRIDE

Jump on a trailer and explore the abandoned Horrorwood Film Studios. There's a few unusual characters in the forest. A bit strange, a bit odd and maybe sometimes occasionally definitely always very spooky. Most of them are friendly... most of the time, but they like having visitors. Not many people know what happens in the forest, but I'm sure you'd love to find out. I think your tractor will come back again.

Little Circus of Spooks - *New for 2019*

Step inside the big top for a circus spectacular a little different from what you've experienced before. A twenty-minute show from award winning wacky and wonderful circus performers. Don't expect the usual juggling balls and tightrope walking. Be sure to be a little 'Spooked' out from this one.

3D CINEMA - *New film for 2019*

Take a seat put on your glasses and relax.... but not too much! This short film is going to get weird!!! In special 3D, objects literally come out the of the screen- you are going to love it!

TWISTED FUN HOUSE

A circus that's fun for everyone, there's no clowning around in here. Follow the candy-striped walls, slither through the squeeze corridors, keep your balance in the spinning tunnel, and sport some fabulous glasses for a 3D experience like no other. This is 100% FUN!

THE CREEPY COTTAGE

We think there is more to this little cottage than meets the eye. We've seen some strange things in there! It seems in the afternoon there are a lot of spooky appearances, but they're not bad, they used to live in the house. so they're just keeping a check on it. Ghosts are lazy, they don't get out of bed until midday. But the ancient cottage is still open to have a look round in the morning.

THE SPOOKY TRAIL

Head into the maize field and keep your eyes peeled.... there are little spooks everywhere!! Keep track of each one you find in your passbook. Remember to show your passbook on your way out.

THE WITCH IN THE WOODS

Get your ingredients together and fire up the cauldron. Head into the woods on a winding path until you come across the witches house. Don't be scared! They're not nasty, the old dears need help with the potions. Maybe you can help them? Those eccentric witches are busy in the mornings, and broomsticks don't land until midday.

PICK YOUR OWN PUMPKIN

After you've had a Spooktacular time at Tulleys Spook Fest, the fun doesn't stop... Head across the road to our pumpkin PYO. Lace up your boots, slip on your gloves and head out armed with your trusty secateurs into the fields of rambling vines to pick the perfect pumpkin.

+ Award winning street theatre, exhilarating fairground rides, scary-oke, two live puppet shows, three food courts. All wrapped up in a friendly festival atmosphere.
